## EFFECTIVE WRITING ASSIGNMENTS

September 25, 2018  
2:30 pm - 4:00 pm  
EWFM 379

Effective writing assignments foster student engagement, promote deep learning, and facilitate effective and efficient feedback and grading. This hands-on workshop will explore the components of effective writing assignments with special attention to improving your own assignments for your current and future courses.

## THE ART OF INQUIRY: CRAFTING EFFECTIVE RESEARCH ASSIGNMENTS

October 3, 2018  
2:00 pm - 4:00 pm  
EWFM 379

In an increasingly overwhelming information landscape, novice researchers often struggle to find, absorb, and incorporate information effectively. This workshop will offer strategies for creating research assignments to help motivate your students beyond a checklist of requirements and foster curiosity, creativity, and critical thinking in meaningful research experiences.

## BEST PRACTICES IN PREVENTING PLAGIARISM AND PROMOTING ACADEMIC INTEGRITY

November 8, 2018  
1:00 pm - 2:30 pm  
EWFM 520

Lehigh students are expected to follow the academic integrity standards described in the Student Code of Conduct, and faculty are expected to use the disciplinary process when a student violates the Code. However, as a community, we can diminish the likelihood of Code of Conduct violations by adopting these best practices for promoting academic integrity.
